

Redemption

We believe that sin separates us from God and the eternal life He offers. Jesus paid the price for every one of our sins by dying on the cross. The Son of God loved us so much that He wiped out our debt by sacrificing His life in exchange for ours. Embracing and living this truth allows us to be born again in His Spirit, forever changing us to freely enjoy the amazing benefits grace and redemption provide.

Ephesians 1:7; John 3:16

Relationship

We believe that God created us for relationship with Him and with each other. Jesus personified God's love for us, and His desire for us to be in communion with Him. As His followers, we are challenged to live in the holy manner that Jesus did, seeking connections with others, and meeting people wherever they are on their journey, walking side by side together despite the messiness of life. It is through these relationships we are to be disciples, sharing God's great message of love and redemption.

Ephesians 4:2-3; John 13 34-35

The Bible

We believe the Bible is the infallible word of God, and it shows all people how to walk closely with our Maker. The Bible was inspired by God and is the final authority on all matters on which it speaks. God's word is as relevant today as it always has been, and it applies to all people.

2 Tim 3:16; 2 Peter 1:21

The Christian Path

We believe that once a Christian receives the indwelling Holy Spirit, he/she is empowered to grow in obedience to God's word and in communion with Him. The Spirit guides us on our path to live a Godly life and equips us for service and good works. We do good works as an expression of our love for Jesus, knowing our salvation is maintained by the grace and power of God, and not by our efforts.

Romans 8:28-30; Romans 12:2; Ephesians 2:8-10

Humankind

We believe that humankind is separated from the path God originally laid out for us by our sin. The only way to get back on God's path is by accepting and declaring His son, Jesus Christ, as our Lord and Savior. In this way our sin is washed away, and His sacrifice alone clears the way for us to re-engage with God throughout this life and into the next, where we will spend eternity in heaven.

Isaiah 59:2; Romans 5:6-11; Acts 2:38

God

We believe God is Almighty, Creator of all that is known and unknown. God is in all things, and through all things, and above all things. We were made to be in relationship with God, and life works better when we are. Experiencing the suffering that comes from our bad choices is part of the reason God hates sin. Since we worship such an amazing God, He can take the hard times and circumstances we go through and use them to do beautiful and amazing things in our life when we allow Him to. We believe the best possible life comes from worshiping and following God, Jesus and the Holy Spirit, the Holy Trinity, each of which reveals an aspect of the Godhead. Together, they are three in one.
